At no time in a child's life will changes occur so rapidly as they do during the first year and early childhood years that follow. In what seems like the blink of an eye, a tiny helpless bundle is quickly changing into an active, robust, inquisitive youngster.

We love children at Digital Dreams Photography and want to preserve those special times for you, your child and generations to come.

Motherhood Dreams.....\$39
(\$90 value)

- 15 Free Portrait Birth Announcements.
- 10% off Portrait Prices, 20% off all Frames.
- 30 minute Maternity Session (if not desired, deduct \$10).
- One hour Newborn Session

Maternity Session

(about 2 months before your due date - bellies are usually just the right size at this stage) We recommend wearing all pre-pregnancy clothing. Pregnant women have beautiful curves and we want to show that off! Bring jeans that will have a snug fit (we will not zip or button them, just fold them down). We also recommend bringing pretty, lacy, modern or funky tops like camisoles, tanks, lingerie, sweaters, etc. Long skirts that will fit below the belly are a nice alternative to jeans. If you have beautiful scarves or wraps, then bring those as well. Our goal is to make the session unique to you even in the studio.

Newborn Session

(two months or younger) We crank up the heat for this session and break out our cocoons and custom knit hats. The baby is bare, in a diaper cover or a onesie. Bring that special blanket, precious teddy bear, or silver rattle. Newborns are perfect for our angel wings. This is also a great time to create wonderful relationship portraits with mom & dad. Bring your wedding rings for a special keepsake. Simple long-sleeved black shirts work best for mom and dad.

(\$170 value)

- 3 One-Hour Sessions.
- 10% off Portrait Prices, 20% off all Frames.
- Free 8x16 3-image Collage Print using one image from each session.

4 Months

Capturing their first smiles is our goal. Tiny fingers, toes & all the details that will be treasures for years to come. Well-fitted, simple clothing is the key, bring a few outfits & we'll help you choose.

8 Months

These moments are full of giggles & smiles. The baby should be sitting up independently. This would also be a great time to put to use our collection of Tutus, Ties & Overalls!

1 Year

Now is when the fun begins. Clothing can be simple or the child can be all dressed up. Bring a few outfits & we can choose the ones that will work best for your collection. This is also a great time to bring in that birthday cake for some fun & messy portraits.

*Keep in mind at each session to color coordinate with previous outfits, so your final collage comes together nicely.
